

To the FCC:

As a voter, a concerned citizen, and a former radio announcer (Class III license), I wish to voice my objections to Sinclair Broadcasting's recent order to their stations to air an anti-Kerry documentary. This attempt to circumvent equal-time laws, which were enacted to protect the public airwaves, smacks of corruption, arrogance, and a stunning degree of partisanship. No private entity should use the public's airwaves for its own propaganda

If Sinclair does not alter its decision, or at least offer equal time to those who oppose the political views it wishes to broadcast, then I must urge you to do everything within your power to revoke its licenses. We members of the public trust you to act in our best interest.

Thank you for your time and consideration.

Sincerely,

Peter Cashwell
